

LSA data in a complete and timely manner.		approved by HUD.
4. Point-in-Time Count. HUD will award up to 5 points to CoCs that collect, use, and submit data from the 2022 PIT count.		
a. PIT Count and Data Submission. Conduct a PIT count and report the data in HDX.	3	<p>Conduct a sheltered and unsheltered PIT count during the last 10 days in January 2022, or if an exception was provided by HUD, during the time period agreed upon by the CoC and HUD; and</p> <p>Submit the 2022 PIT count data in HDX by May 6, 2022, 5:00 PM EDT, or if the CoC received an extension, the date indicated in the extension.</p>
b. Effectively Count Youth. Implement specific measures to identify youth in the CoC's PIT count.	2	<p>Demonstrate that during the planning process for the 2022 PIT count, the CoC:</p> <ul style="list-style-type: none"> • engaged stakeholders that serve homeless youth; • involved homeless youth in the actual count; and • worked with stakeholders to select locations where homeless youth are most likely to be identified.
5. System Performance. HUD will award up to 59 points to CoCs for system-wide performance related to reducing homelessness.		
a. Reducing the Number of Homeless Individuals and Families. Up to 1 point to CoCs that demonstrate an overall reduction of at least 5 percent in the number of individuals and families who experience homelessness.	10	<ul style="list-style-type: none"> • Up to 2 of the 10 points for demonstrating a decrease of at least 5 percent in the number of sheltered homeless individuals and families in the 2022 PIT count compared to the 2021 PIT count as recorded in HDX, excluding emergency shelter beds added for a Presidentially declared disaster and recorded as such in HDX; • Up to 5 of the 10 points for demonstrating a decrease of at least 5 percent in the number of unsheltered homeless individuals and families in the 2022 PIT compared to the 2021 PIT count (or most recent unsheltered PIT count submitted) as recorded in HDX; and

		<ul style="list-style-type: none"> Up to 3 of the 10 points for demonstrating a decrease of at least 5 percent in the combined number of sheltered and unsheltered homeless individuals and families in the 2022 PIT compared to the 2021 PIT count (or most recent PIT count submitted with both sheltered and unsheltered data) as recorded in HDX.
<p>b. Reduction in the Number of First Time Homeless. Demonstrate how the CoC works to reduce the number of individuals and families who become homeless for the first time.</p>	3	<ul style="list-style-type: none"> Demonstrate that between FY 2020 and FY 2021 the CoC reduced the number of first-time homeless as reported in HDX (1 of the 3 points); Identify the process by which risk factors are identified in its community for becoming homeless for the first time; Describe the strategies in place to address individuals and families at risk of becoming homeless; and Identify the organization or position that is responsible for overseeing the CoC strategy to reduce or end the number of people experiencing homelessness for the first time.
<p>c. Length of Time Homeless. Reduce the length of time individuals and families remain homeless and describe how they will reduce the length of time individuals and families remain homeless in the future.</p>	13	<ul style="list-style-type: none"> Demonstrate that between FY 2020 and FY 2021 the CoC reduced the average length of time individuals and families remained homeless in the CoC's geographic area of at least 5 percent or that the CoC's average length of time homeless was 90 days or less as reported in HDX (8 of 15 points); Describe the CoC's strategy to reduce the length of time individuals and families remain homeless; Describe how the CoC identifies and houses individuals and families with the longest length of time homeless; and Identify the organization or position that is responsible for overseeing the

		CoC’s strategy to reduce the length of time individuals and families remain homeless.
<p>d. Successful Permanent Housing Placement or Retention. Demonstrate an increase in the rate in which individuals and families move to permanent housing destinations or continue to reside in permanent housing projects and describe how the CoC will improve their rate of permanent housing placement.</p>	13	<ul style="list-style-type: none"> • Demonstrate that between FY 2020 and FY 2021 the CoC increased the rate at which persons exiting emergency shelter, transitional housing, safe haven, and rapid rehousing projects exit to permanent housing destinations by at least 2 percentage points (e.g. from 36% to 38%) or that the rate of exits to permanent housing destinations was 50 percent or higher as reported in HDX (up to 6 of the 13 points); • Demonstrate that between FY 2020 and FY 2021 the CoC increased the rate at which persons residing in permanent supportive housing or other permanent housing, excluding rapid rehousing, exited to permanent housing destinations by at least 1 percentage point (e.g. from 92% to 93%) or that rate of retention of or exits to permanent housing destinations was 96 percent or higher as reported in HDX (up to 3 of the 13 points); • Describe the strategy the CoC is taking to improve permanent housing placement and retention; and • Identify the organization or position that is responsible for overseeing the CoC’s strategy to increase permanent housing placements or retain housing for individuals and families residing in permanent housing.
<p>e. Returns to Homelessness. Reduce the extent to which individuals and families leaving homelessness experience additional spells of</p>	8	<ul style="list-style-type: none"> • Demonstrate that between FY 2020 and FY 2021 the CoC reduced the rate at which persons who exited to permanent housing destinations experienced additional spells of

<p>homelessness and describe how the number of individuals and families who return to homelessness will be reduced in the community.</p>		<p>homelessness within 6 months of exit by at least 1 percentage point (e.g., from 10% to 9%) or that the CoC’s rate of return in 6 months was 5 percent or less as reported in HDX (up to 3 of the 8 points):</p> <ul style="list-style-type: none"> • Demonstrate that between FY 2020 and FY 2021 the CoC reduced the rate at which persons who exited to permanent housing destinations experienced additional spells of homelessness within 12 months by at least 1 percentage point (e.g., from 15% to 14%) or that the CoC’s rate of return in 12 months was 10 percent or less as reported in HDX (up to 3 of the 8 points): • Describe the strategy that has been implemented to identify individuals and families who return to homelessness; • Describe the strategy that will reduce returns to homelessness; and • Identify the organization or position that is responsible for overseeing the CoC’s strategy to reduce returns to homelessness.
<p>f. Jobs and Income Growth. Increase program participants’ incomes from employment and non-employment cash sources and describe specific strategies to assist program participants’ incomes.</p>	<p>7</p>	<ul style="list-style-type: none"> • Demonstrate that between FY 2020 and FY 2021 the CoC increased the percentage of CoC Program participants who had an increase in income from employment or that the rate of income from employment in the CoC was 20 percent or higher as reported in HDX (2 of the 7 points); • Demonstrate that between FY 2020 and FY 2021 the CoC increased the percentage of CoC Program participants who had increased income from non-employment cash sources for persons served in CoC Program-funded projects or that the rate of income from non-employment cash sources in the

		<p>CoC was 50 percent or higher as reported in HDX (2 of the 7 points);</p> <ul style="list-style-type: none"> • Describe the strategy that has been implemented to access employment and non-employment cash sources; • Describe how the CoC is working with mainstream employment organizations to help individuals and families experiencing homelessness increase their cash income; and • Identify the organization or position that is responsible for overseeing the CoC’s strategy to increase jobs and income growth from employment and non-employment cash sources, including mainstream employment organizations.
g. HMIS Performance Measures. Submit data quality report that describes the data quality for system performance	5	The CoC submitted FY 2021 System Performance Measures data in HDX 1.0 by the submission deadline of 8:00 PM EDT on February 28, 2022, or an alternate date approved by HUD.
6. Coordination with Housing and Healthcare. As stated in Section II.B.4 of this NOFO, HUD will award up to 14 points to CoCs that submit new permanent supportive housing and rapid rehousing project applications demonstrating coordination with housing providers and healthcare organizations.		
a. Leveraging Housing Resources. These points are available for CoCs that apply for at least one new permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. Housing subsidies or subsidized housing units may be funded through any of the following sources: <ul style="list-style-type: none"> • Private organizations; • State or local government, including 	7	<p>CoC’s will receive full points by demonstrating that they have applied for at least one permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. The CoC must demonstrate that these housing units will:</p> <p>(i) in the case of a permanent supportive housing project, provide at least 25 percent of the units included in the project; or</p> <p>(ii) in the case of a rapid re-housing project, serve at least 25 percent of the program participants anticipated to be served by the project.</p> <p>CoCs must attach letters of commitment,</p>
